All memberships are non-transferable. Monthly membership payments are not refundable once processed. Our 6-month contract membership becomes a "month-to-month" membership after completion of the 6-month commitment. Price remains the same. Member agrees to complete this agreement in full **regardless of attendance to the facility**. If you wish to cancel your 6-month monthly payment membership early there will be a \$125 cancellation fee. After completion of the 6-month contract, cancellation of membership follows guidelines set forth in the next paragraph.

Monthly memberships may be cancelled with 30 days' written notice. This written request may be mailed to our mailing address or dropped off in person at the gym (just pop it in our mailbox if it's outside of business hours). If this notice is given in the middle of a billing cycle, you will be charged the next payment as final payment, and you will have 30 days from the last payment date to attend classes. It is your responsibility to submit a cancellation request in a timely manner to avoid unwanted charges. Again, there will be no refunds issued once a payment has been processed.

Monthly pay memberships are locked into the price at time of contract unless you let that membership lapse. To re-join, the current rate would be applicable. Similarly, nonpayment for two consecutive months will result in membership cancellation. If the member decides to return, they will be required to pay the current sign-up fee and return at the current monthly rate. Management reserves the right to increase the price of existing monthly membership dues, but this would not be done without giving adequate (60 day) notice to our members.

Child add-on memberships are intended for children under the age of 18 whose parent(s) has an active membership in good standing at EveryBODY Fitness. These memberships are limited to eight (8) classes per month.

All prepaid (6-month or 1-year) memberships are non-refundable once processed. When these memberships complete, they do not automatically renew, and you will need to sign up for another membership. The current rate will be applicable.

All fees (such as card decline fees) are nonrefundable.

If a member moves more than 50 miles away the membership may be cancelled by providing written notice with proof of residency (utility bill, pay stub, tax form, etc.).

A member will be allowed to put a membership on hold without any penalty in the event the member provides us with a doctor's notice of physical inability to continue facility use, but agreement will continue after the hold has been lifted to fulfill all duration of the contract. Doctor's excuse must include a tentative release date to be valid.

IF THE FITNESS STUDIO IS SOLD AND THE NEW OWNER PROVIDES COMPARABLE SERVICES, YOUR CONTRACT WILL STILL CONTINUE UNDER ITS ORIGINAL TERMS. THIS INCLUDES BUT IS NOT LIMITED TO ACCESS, COST, AND DURATION OF CONTRACT.

This fitness studio reserves the right to close for up to one week for yearly maintenance.
